8.Your Suggestion for future Developement of Rangapara College :

My very small suggestion to our college: Make available infrastructure and student support services on campus and identify sources of satisfaction and dissatisfaction, and the extent to which student enjoys all aspects of campus life. Provide help to struggling students through academic support and tutoring to improve pass rates, reduce withdrawals and enhance retention. Ensuring that students connect and collaborate with faculty effectively, providing notifications and messaging services on academic activities can enhance the learning experience of students.
