7.Notable Achievement During College Days :

I was the General Secretary of Rangapara College Students' Union for the session 2018-19. As a General Secretary I did my level best to help the students in all their activities and also rebuild the AASU memorial place in our college. I also took part in different cultural and sports activities in college and won 2nd in weight lifting.

8.Your Suggestion for future Developement of Rangapara College :

The time management in our college is lacking both in students and teachers. Teachers and students are often found eating tamul pan and ghutka in college campus, these types of intoxiv things should be prohibited ???? from our college. Now a days students are using motor bikes and scooty to come to college, therefore it's colleges' responsibility to check all of them that they are following the traffic rules and also having a perfect license. I think college should help the students in getting their driving licence with the help of DTO.
