Ref No.RPC/ST-1/AD-47/2026/150 Date: 08/05/2026

RANGAPARA COLLEGE (AUTONOMOUS)
NEPUGP 1st Semester Admission Guidelines (Non-CUET), 2026–27

All candidates seeking admission into Four-Year Undergraduate Programme at Rangapara College (Autonomous) are hereby informed the following admission criteria and Guidelines:

1. Compliance with Government Guidelines

The college shall strictly follow all admission-related guidelines, policies, and instructions issued by the Government from time to time. Any modifications or updates issued by the competent authority will be implemented accordingly during the admission process.

2. Admission Timeline

The admission process shall be conducted strictly as per the schedule notified by the Government. Applicants are required to adhere to the prescribed timeline, and no requests beyond the stipulated dates will be considered.

3. Mode of Application

Only those applicants who apply through the SAMARTH Portal will be considered for admission. No other mode of application, including offline submission, will be accepted under any circumstances.

4. Admission Category

Admission to the NEP Undergraduate Programme (NEPUGP) will be offered only under the **1 Major and 1 Minor** category in accordance with the prescribed academic structure.

5. Reservation Policy

The college will strictly follow the Government reservation policy while allocating seats. In cases where no eligible applicants are available in a particular reserved category for a subject, such seats may be converted into unreserved seats during spot admission, if conducted.

7. **Intake Capacity**

Sl. No	Name of the Subject	Major Intake	Minor Intake
1	Assamese	90	180
2	Bengali	20	20
3	Bodo	90	60
4	Economics	50	60
5	English	70	60
6	Education	90	170
7	Hindi	30	60
8	History	70	150
9	Political Science	90	170
10	Accountancy	40	80
11	Human Resource Management	40	80
12	Marketing Management	40	80
13	Physics	30	50
14	Chemistry	30	60
15	Mathematics	20	50
16	Botany	30	40
17	Zoology	30	40

6. Merit Calculation

The merit percentage will be calculated on the basis of the best four subjects in the Higher Secondary (HS) examination, including the subject in which the applicant has applied. In case the applied subject is not among the best four subjects, the lowest-scoring subject among the best four will be replaced by the applied subject for the purpose of merit calculation.

7. Merit List Preparation (Preference-Based System)

The merit list will be prepared based on both applicant preference and academic merit. Applicants who select the college as their first preference will be given priority over those who select it as a second or lower preference. For example, if Applicant A secures 90% marks but gives the college as their 2nd preference and Applicant B secures 80% marks but gives the college as his 1st preference, then Applicant B will be ranked higher. However, among applicants with the same preference level, ranking will be determined strictly on the basis of

merit.Moreover, while preparing the category-wise merit list, if a sufficient number of applicants is not available under a particular preference level, applicants from the next lower preference level will be considered.

For example, if a subject has 20 seats in a category and there are 10 applicants with Preference 1, 5 applicants with Preference 2, 5 applicants with Preference 3 and 5 applicants with Preference 4, then the 20 seats will be filled by considering 10 applicants from Preference 1, 5 from Preference 2, and 5 from Preference 3 Applicants who have opted for Preference 4, even if they have higher marks than those in Preferences 1, 2, or 3, will not be considered at this stage. They will be considered in subsequent merit lists only if seats remain vacant.

Sample Merit list

Applicant	**Preference**	**Percentage**
A	1	60
B	1	58
C	1	55
D	2	65
E	2	60
F	2	57
G	3	70
H	3	68

8. Subject-wise Merit List Consideration of Subject Preference

Separate merit lists will be prepared for each subject or course offered by the college. The preference-based system, along with the Government reservation policy, will be applied individually to each subject. The subject preferences indicated by applicants will be taken into account while preparing subject-wise merit lists.A candidate’s priority will depend on the preference assigned to each subject. For example, if an applicant selects Education as his or her first preference and Political Science as second preference, the applicant will be considered a first-preference candidate for Education and a second-preference candidate for Political Science. Within each subject, higher preference candidates will be given priority, and merit will be applied within the same preference category.

If an applicant takes admission in one subject and later his or her name appears in a subsequent merit list for another preferred subject, the applicant may withdraw from the previously admitted subject and take admission in the new subject. Such withdrawal of admission will be carried out in accordance with Government guidelines and the functioning of the Samarth portal.

10. Special Provisions for Specific Subjects

In subjects such as Bodo and Bengali, if applicants from certain reserved categories are not available, the corresponding seats may be treated as unreserved in accordance with permissible rules during admission based on the merit list.

In the case of Bengali, if no applicants are available from the ST(P) and ST(H) categories, those seats shall be treated as unreserved and a preference-based merit list will be prepared from among the available categories. Similarly, in the case of Bodo, if applicants are available only from the ST(P) category and not from other reserved categories, the seats shall be treated as unreserved and a preference-based merit list will be prepared accordingly. However, if applicants from other reserved categories are available, they shall be considered as per government reservation norms and separate preference-based merit lists will be prepared for those categories.

11. Minor and Other Course Selection (SEC, AEC, VAC, MDC)

Seats in Minor subjects are limited. If the seats in a particular subject are exhausted, applicants will be required to choose from other available subjects at the time of admission. Applicants must report for admission with the admission confirmation form and clearly indicate their choices for Minor and other courses such as SEC (Skill Enhancement Course), AEC (Ability Enhancement Course), VAC (Value Added Course) and MDC (Multidisciplinary Course). In case the seats in these courses are also filled, applicants must select from the remaining available options as offered by the college.

13. Subject Change Policy

No request for change of Major subject will be entertained during the admission process from merit list. Applicants must submit separate applications for different subjects as per SAMARTH guidelines and each application will be considered independently.

12. Spot Admission

Spot admission, if conducted, will be carried out on a first-come, first-served basis, subject to the availability of vacant seats. Initially, the Government reservation policy will be followed; however, after a certain stage, any remaining vacant seats may be treated as unreserved and filled accordingly. Detailed guidelines regarding spot admission will be issued separately and published on the college website, if applicable.

13. Refund Policy

Rangapara College (Autonomous) adheres to the UGC Fee Refund Policy, the details of which are available on the college website. Applicants are advised to review the policy carefully before proceeding with admission

14. Grievance Redressal for admission

Any grievance regarding admission may be submitted to the Principal of the college. The grievance will be addressed by the Admission Committee within two days. If the application requires immediate attention to meet any admission deadline, it will be given priority and resolved at the earliest.
