REPORT

- Objective:** To make the teaching fraternity of the college aware of the outcome-based education model along with framing and evaluating the CO, PO and PSO.
- Target group:** Teaching Fraternity
- Significance of the event:**

The event is aimed at the knowledge enhancement of teachers on the framing and evaluations of CO, PO and PSO. The course outcome, programme outcome and programme specific outcome are the integral and crucial part of outcome-based education. It is much required that the teaching fraternity of the college is aware of these terms and ways of evaluation. This workshop served as the guide to this process. The faculty members could fill up the gap in understanding and received the much-required knowledge on appropriate framing of CO, PO and PSO.
