Location: Rangapara College
No. of students participated:39

Brief Report

On 1ST November,2021 Rangapara College NSS Unit has organized an awareness programme on how to celebrate eco-friendly Diwali. Diwali is known as the 'Festival of Light' and is one of the most important Hindu festivals in India. Celebrated to mark the return of Lord Rama to Ayodhya along with Devi Sita and brother Lakshman after 14 years of exile (Vanvaas). Diwali or Deepawali essentially means the Awareness of the inner light. Burning of firecrackers is a common practice in Deepawali celebration. Burning of firecrackers produce lots of smoke in the air and creates air pollution which creates health hazards for human beings. Pollution is a big issue of the present-day world and has many bad effects on the environment. Keeping in mind the above backdrop, the aforesaid programme was organized to create awareness among the students. More than 39 students participated in the programme including few teachers. A Street play was performed by the NSS volunteers to Celebrate eco-friendly Diwali.
