**Report of Orientation of the Red Ribbon Club**

on

**Elimination of Mother to Child Transmission of HIV and Syphilis**

**Date: 22-02-2022**

**Time: 11.00 A.M**

**Venue: Digital Seminar Hall**

The increasing number of Human Immunodeficiency Virus (HIV) infection and Syphilis cases become an important concern for today's society. HIV and syphilis can be transmitted from infected pregnant women to their infants. This transmission can happen during pregnancy, labour, delivery or breastfeeding. On viewing of increasing number of cases of these diseases, Rangapara College organized an awareness programme among the college family on Elimination of Mother to Child Transmission of HIV and Syphilis (EMTC) in association with National Coalition of People living with HIV in India (NCPI+) on 22-02-2022 in the Digital Seminar Hall. This event is supported by Plan India. In this event resource persons Pooja Dutta, Anuradha Pathak, Manju Das, Basanta Kalita, Prakash Sharma discuss various ways to infect by HIV and Syphilis such as unprotected physical relationship, use of same syringe, taking blood from non-verified agency. They also discuss the misconception and misunderstanding on HIV and Syphilis. Different types of symptoms are also explained by the resource persons. Also, the resource persons focused on the prevention methods through which we can eliminate these diseases from our society. The event is moderated by Mr. Rakesh Chandra Sarkar, Assistant Professor, Department of Bengali. Honorable Principal Dr. Ranjan Kalita, Rangapara College delivered his lecture on the significance of the event in presence of IQAC coordinator, Mr. Atul Sarma, Dr. Pradip Barman, Asstt. Co-ordinator and other dignitaries of the college.

**Outcome of the Programme:** The programme on **Elimination of Mother to Child Transmission of HIV and Syphilis** was attended by 76 students and 12 teachers. It was an informative event and the interactive session showed that the participation of students active and they were able to understand the misconception and misunderstanding on HIV and Syphilis and became aware of the effects of the same.
