

Mechanism for Anti-Ragging for the students

Rangapara College is a premier higher educational institution run by the department of Higher Education, Govt. of Assam within Rangapara Legislative Assembly Constituency of Sonitpur District, within the state of Assam. It is a multidisciplinary higher educational institution covering Humanities, Commerce and Science stream of study. As per the guidelines issued by the supreme court of India and UGC, an anti-ragging committee is formed for a tenure of three years to prevent ragging and to take anti-ragging measures and to address the issues concerning ragging. The contact details of the members of the anti-ragging committee can be found in the college website under statutory compliances. A significant number of students are enrolled in this college every year residing in college hostels. Neither ragging nor any kind of mental abuse exercise is not allowed to practice in the college premises.

However, the unique mechanism adapted by the college staff members and students led to a "RAGGING FREE" campus and hostel.

1. Senior students form a squad and take the initiative of educating about anti-ragging in the college premises by interacting with the freshers. As a result of which no record on ragging is anticipated.
2. All the teaching faculties in their classes educate about the malpractice of ragging and explain the consequences faced due to ragging. Students are alerted to ensure a ragging-free environment on campus and in the hostel.
3. Random and frequent rounds by the committee members and student union body members in the college campus and surroundings.
4. A student and parent can fill an online application form with details such as complaint name, victim name, email id., mobile number, ragging details etc. and submit it to antirag@rcr.ac.in thereby concealing their identity.
5. Display of Anti Ragging posters at all prominent places like Departments, Library, Canteen, Hostel, Common facilities etc.
6. Committee develops a survey form and is distributed among the students, regarding ragging and other malpractices in the college premises.
7. Feedback videos are created among the students to know their opinion regarding the college environment.

All students enrolled at Rangapara College must follow the procedure below as an undertaking:
