Future Plan:

1. In the coming years we are aiming to plant more saplings in the college campus.
2. We are aiming to plant fruit bearing plant saplings on the bank of the Amrit Sarovar to attract various bird species to the campus.
3. Valuation and economic importance of the already planted trees will be done by the Forest dept. of Amaribari division, Assam.
4. We are aiming to conduct awareness programme for biodiversity conservation and impacts of pollution on the ecosystem.
5. We are aiming to plant more ornamental trees to make the college campus more beautiful.
6. We are aiming to study the butterfly diversity to make a checklist in the Rangapara College campus in association with the Dept. of Zoology.
