**DEPARTMENTAL ACTIVITY**

Name of the Event: Observation of International Day of Forests

Date: 21<sup>st</sup> March, 2022

Venue: Rangapara College

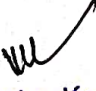

**Objective:**

1. To create awareness on the importance of forests.
2. To gain knowledge on forests and the role it plays in our civilization.
3. To generate a sense of sustainable development among the youth for the wellbeing of human beings and the society as a whole.

**Description of the Event**

The basic theme for this year's observation was brought forward by the department of Botany, Rangapara College in the college campus itself. Mr. Ratan Chowdhury, chairperson and Mr. Subham Roy, coordinator of the programme with their undergraduate students actively organized the programme with the aim to plant some medicinal plant through active involvement of students.

The college administration hosted the programme in its own academic block. All the faculties and staffs of the host organization attended the programme. However, the primary participants were the enthusiastic students from college in absence of whom the programme would have no value.

  
(Dr. Ranjan Kalita)  
Principal

HOD  
Department of Botany  
Rangapara College  
Sonitpur, Assam

Dr. Ranjan Kalita, Principal, Rangapara College, has also gave a brief speech on the importance of forests and the need for their conservation. Also Dr. Ranendra Mohan Deka, Vice principal, Rangapara College, who is an active person in the field of conservation and planting different species of trees within and outside the college campus, gave a lecture on the importance of greenery and forest for the survival of mankind. Finally after a brief deliberation by principal sir, All the faculties and students participated in the plantation programme.

**Outcome of the Event:**

The faculties and students participated in the plantation programme of medicinal plants. The students were able to gain knowledge on the various kinds of medicinal plants and their uses. They also learned the value of forest and their resources.
