# **Institutional initiatives towards the vision and mission of the college**

## **Vision of the Institute**

***To reach the zenith of excellence in higher education by generating exemplary human resources***

The institute prioritizes academic excellence to prepare students for the competitive world. Recognizing their importance as the future of society, the institution places equal emphasis on both the curriculum and extracurricular activities. The management and authority are dedicated to creating a high-quality teaching and learning environment, having established 11 ICT-enabled classrooms and one digital seminar rooms equipped with modern amenities. Students are encouraged to participate in social activities and are involved in departmental and institutional extension and NSS activities. Notably, the college has produced university toppers from the Department of Bodo and Department of Commerce in the year of 2018 and 2019, respectively. Additionally, Mr. Subhankar Dey, one of the students of the college, received the Presidential Award for his service through NSS during the Covid-19 pandemic. An alumnus of the college, Mr. Gautam Daimary, was awarded the Sahitya Akademi Award in 2021. Many of the alumni of the college have successfully pursued various professions, including teaching, professorship, banking, law, entrepreneurship, and others. Through effective governance, leadership, and management, the college fosters a supportive environment in which students can develop their potential and become exemplary human resources for society.

## **Mission of the Institute**

***Mission 1: To transform lives and serve society by promoting the participation of rural students in Higher Education***

1. The college serves as a source of higher education for students from rural areas due to its location surrounded by tea gardens and villages.
2. The majority of the students at the college are from the OBC category and most of them are from tea garden areas, with the second-highest number of students coming from the ST (P) category.
3. The college is the only higher education institution in the Rangapara Legislative Assembly, making it a crucial resource for students seeking higher education in the region.
4. The college enrollment has increased over the years due to its reputation for providing quality education and the efforts made by the college to raise awareness about the importance of higher education in the community

***Mission 2: To implement the green policies and create a 'Swachh' environment for the holistic development & growth of our students and teachers.***
