

RANGAPARA COLLEGE, SONITPUR, ASSAM

AQAR 2021-22

Criteria 1.1.1 The Institution ensures effective curriculum delivery through a well-planned and documented process-

Curriculum Planning

- Academic Departments prepare curriculum planning first on the basis of
 - A. CBCS Regulation of Gauhati University
 - B. CBCS Syllabus of Gauhati University
 - C. Academic Calendar of Gauhati University

- The Various Components of curriculum delivery are prepared on the basis of the 'Flow Chart' of Teaching-Learning. It includes
 - A. Preparation of Institutional Academic Calendar
 - B. Preparation of Class Routine
 - C. Preparation of Departmental Teaching Plan
 - D. Preparation of Teacher's Diary

- For Theory classes, the institution conducts traditional and ICT enabled classes.
- For Practical Classes Laboratory Experiments are done in Science and Education departments.
- Add On courses are introduced to enhance creative and innovative skills of the learners.
- Practice of experiential, participatory and problem-solving method are followed.
- For evaluation, the institutional CIE mechanism is followed.
- Internal marks secured by the learners are displayed on the departmental notice board and students are allowed to raise grievances (if any) regarding the internal evaluation.
- The institution also take feedback from the Teachers and Students for a sound curriculum planning delivery mechanism.

Discuss various methods of distribution of services. (Channel of Distribution for services)

Distribution channel consist of a sequence of firms distributing a service from producer to a consumer. Services can be distributed either directly or indirectly. These are discussed below

1. Direct Sale

Many services are distributed directly from provider to customer. Direct sale is chosen due to inseparability of services and provider. Services of doctors, personal care services etc. are examples of direct selling. Direct sale of services can be done in two ways; either consumer goes to the service firm e.g. restaurant, hospitals etc. or the service provider goes to the customer e.g. Interior design, building repair etc.

2. Indirect sale

Many services are delivered by intermediaries. Two service marketers are involved in indirect distribution: the service principal (originator) and the service deliver (intermediary). The service principal is the entity which creates the service and service deliver is the entity who performs the execution of service. The
