TO WHOM IT MAY CONCERN

This is to certify that from 2020-21, as the initiative of 'XEUJI'- the Green Club of Rangapara College, Rangapara, Sonitpur; the students, faculty members and people from civil society has visited Nameri National Park and interacted with the forest officials in several occasions for gathering knowledge and disseminating the message of importance of Biodiversity and conservation. Besides, they are associated with us in various environmental awareness activities inside and outside the college campus since inception.
