Suggestions received during the SSS:

1. The college needs to be beautified with planned plantation & gardening program.
2. More and more programs on Self Defense & Sexual Harassment at workplace to be organized.
3. The management should consider take steps to open PG Program of all the departments.
4. 100% attendance of the students in all the classes should be ensured.
5. Curriculum related to Music, Sports, Drama & folk dances should be introduced.

The management will take every step to meet the needs of the students within its limitation & the G. B. has assured all possible help in this respect.
