

ANALYSIS OF THE RESULTS OF THE STUDENTS SATISFACTION SURVEY CONDUCTED DURING 2019-2020

The IQAC, Rangapara College conducted Students Satisfaction Survey on experimental basis for the academic session 2019-2020. The action was taken as per the recommendation of the AAA report. As the practice was purely an experimental one, the IQAC designed a format by covering only ten aspects of teaching-learning. The IQAC distributed printed format among the final year students & 412 numbers of forms were received from the students. The results & suggestions received from the students were as follows:

Sl. No	Area of Scrutiny	% of Satisfaction			
		Very High	High	Low	Very low
01	Teacher's Communication	60	30	10	00
02	Teacher's Ability	80	20	00	00
03	Classroom Infrastructure	00	50	40	10
04	Functioning of the Office	20	50	30	00
05	Library Infrastructure	20	40	30	10
06	Toilet Facility	10	40	40	10
07	Canteen Facility	00	30	40	30
08	Learning Environment	10	70	20	00
09	Co-curricular Activities	10	70	20	00
10	Governance	50	40	10	00

Major Suggestions:

1. Renovation of the College Canteen.
2. Renovation of the Girls' Common Room.
3. Construction of a separate Bike Stand for the students.
4. Renovation of the College Library.
5. Increase the "Green Area" of the College.

The results so obtained from the experimental SSS were submitted to the Principal for consideration & necessary action.
