## REPORT

1. **Objective:** To have an understanding of Choice Based Credit System (CBCS) recently introduced by Gauhati University and to help the teachers to design a plan teaching for the students.
2. **Target group:** Students of Semester-I, III & V and Teachers
3. **Significance of the event:** As the Choice Based Credit System (CBCS) is a new concept of the curriculum of Higher Education, it needs to be understood by students and the faculty. Clear understanding of the pros & cons of this system will definitely help all the academicians to design the curriculum.
4. **Description of the programme:** The workshop on Choice Based Credit System (CBCS) was organized by IQAC, Rangapara College on 01-06-2019. The resource person of this workshop was Dr. Anupam Dutta, Member of UG CBCS committee, Gauhati University. The inaugural speech was delivered by Dr. Rajan Kalita, Principal of Rangapara College. Dr. Dutta explained that CBCS system is a flexible learning process where a student can take courses according to their own requirement. The term 'credit' represents collective of contents or syllabus designed for a course and also represents the number of hours of required for complete the course. Dr. Dutta also explained that the main objective of the CBCS is to make the teaching learning process student centric rather than teacher centric. It is a system that gives freedom to the students to take those subjects which are suitable for them. Also, CBCS offers ability enhancement and skill development courses. But ability enhancement and skill development courses may vary from college to college or university to university. He also said that CBCS system offers a continuous evaluation process that will helps our student to improve their quality. The faculty members of Rangapara College took part in this workshop. The summary of this workshop was delivered by Vice Principal Dr. R.M. Deka.
5. **Outcome of the Programme:**  
The workshop on CBCS helped teachers and students to know the pattern of the course structure under this curriculum. It also helped to know subject combination to be chosen by the students. The workshop helped the teachers to prepare a plan to make the system a successful.
