7	Activity Report	<p><b>Objective:</b> To have an understanding of the use of ICT in Teaching-Learning and also of Google Classroom.</p> <p><b>Target group:</b> Students of Semester-I, III &amp; V and Teachers</p> <p><b>Significance of the event:</b> It is a well-known fact that ICT helps the modern educational system to go further in alignment with the modern techno-based education. It also helps to bring teachers, students and parents to come together for making the present outcome based education a successful one. So, for making teaching-learning effective the ICT knowledge of a teacher is must. Considering all these facts, the IQAC, Rangapara College has decided to organize the workshop to equip all the teachers with ICT skill.</p> <p><b>Description of the Programme:</b> Technology in education is a new revolution. To introduce ICT among the teachers and students IQAC, Rangapara College organized a one-day workshop on the use of ICT and more especially Google classroom in teaching learning process on 01-11-2019. In this workshop not only faculty</p>
